

Rollingtrans ELD Quick Start Guide

Please always keep this Instruction in the vehicle

Attention

49 CFR 395.22 (g)

If a driver uses a portable ELD, the motor carrier shall ensure that the ELD is mounted in a fixed position during the operation of the commercial motor vehicle and visible to the driver when the driver is seated in normal driving position.

A driver using an ELD must have these items onboard the commercial motor vehicle (CMV)

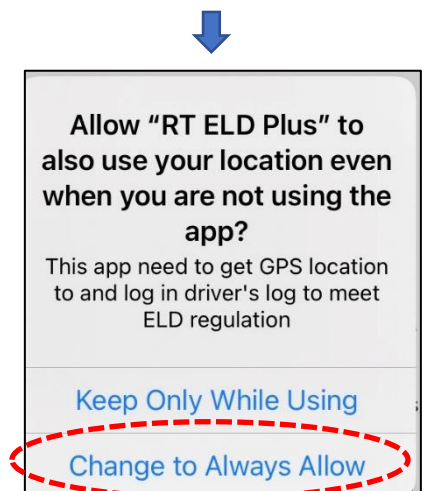

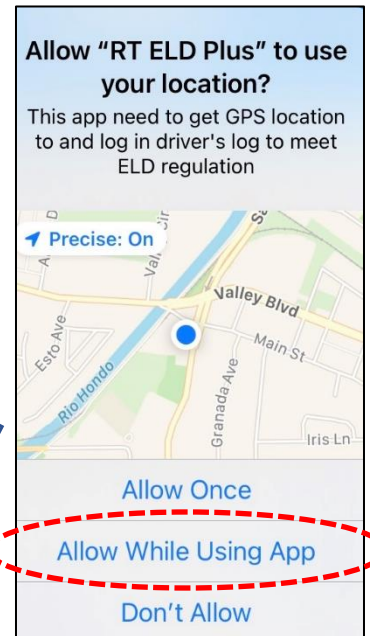

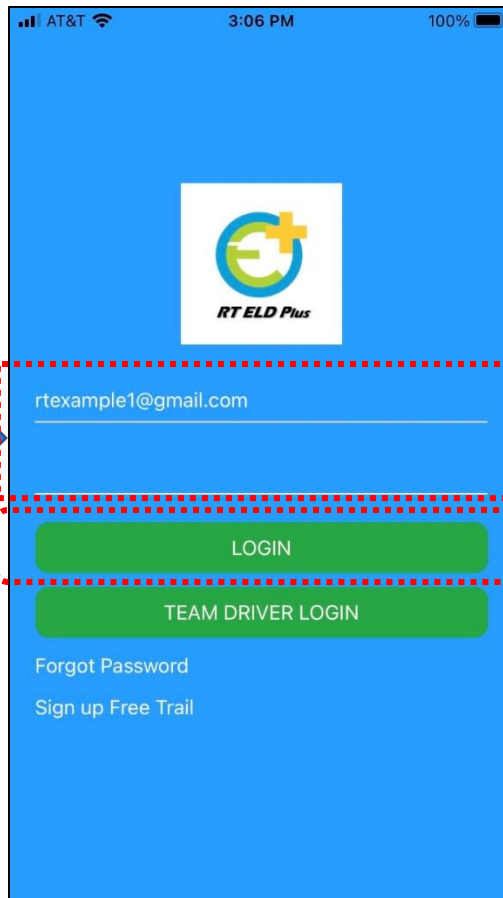

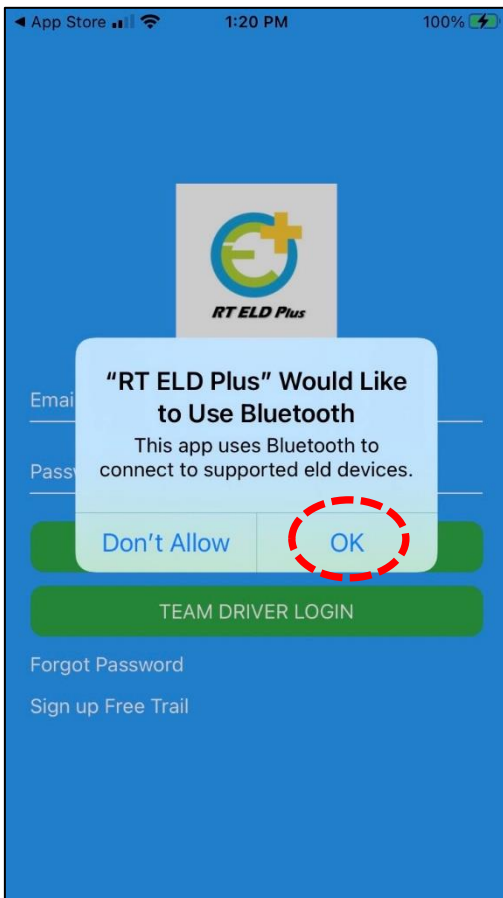

1. An ELD user's manual for driver describing how to operate the ELD, and step-by-step instructions to produce and transfer the driver's hours-of-service records to an authorized safety official.
2. A supply of blank driver's records of duty status (RODS) graph-grids sufficient to record the driver's duty status and other related information for minimum of 8 days

ELD Malfunction:

- **What must the driver do if experiencing ELD malfunction?**

As per the *FMCSA § 395.34 ELD Malfunctions and Data Diagnostic Events* guidelines, a driver must do the following:

1. **Contact Rollingtrans support immediately at 626-416-5098 or service@rollingtrans.com to troubleshoot the issue.**
2. Note the malfunction of the ELD and provide written notice of the malfunction to the motor carrier within 24 hours
3. Reconstruct the record of duty status for the current 24-hour period. Display the previous 7 consecutive days log from Rollingtrans/RT ELD Plus app in the event of an inspection.
4. Keep a paper log for the day and until the ELD device/app is repaired or replaced.

- **What must the motor carrier do if experiencing ELD malfunction?**

1. If a motor carrier receives or discovers information concerning the malfunction of an ELD, the motor carrier must take actions to correct the malfunction of the ELD within 8 days of discovery of the condition or a driver's notification to the motor carrier, whichever occurs first.
2. A motor carrier seeking to extend the period permitted for repair, replacement, or service of one or more ELDs shall notify the FMCSA Division Administrator for the State of the motor carrier's principal place of business within 5 days after a driver notifies the motor carrier.
